

## Shalaky - Tantra (Department of EAR-Nose- Throat & Ophthalmology)

Department of shalaky Tantra Ayurveda is broadly classified into 8 parts called as Astang Ayurveda. Shalaky Tantra is one part of Astang Ayurveda which deals with the diseases of Urdhav-jatru i.e. body above the clavicle mainly it deals with the diseases of eyes, mouth, nose etc. To treat these diseases Shalaka (Probe) is used. So the subject is called as 'Shalaky Tantra'.
